

Clips, Tips, Channels

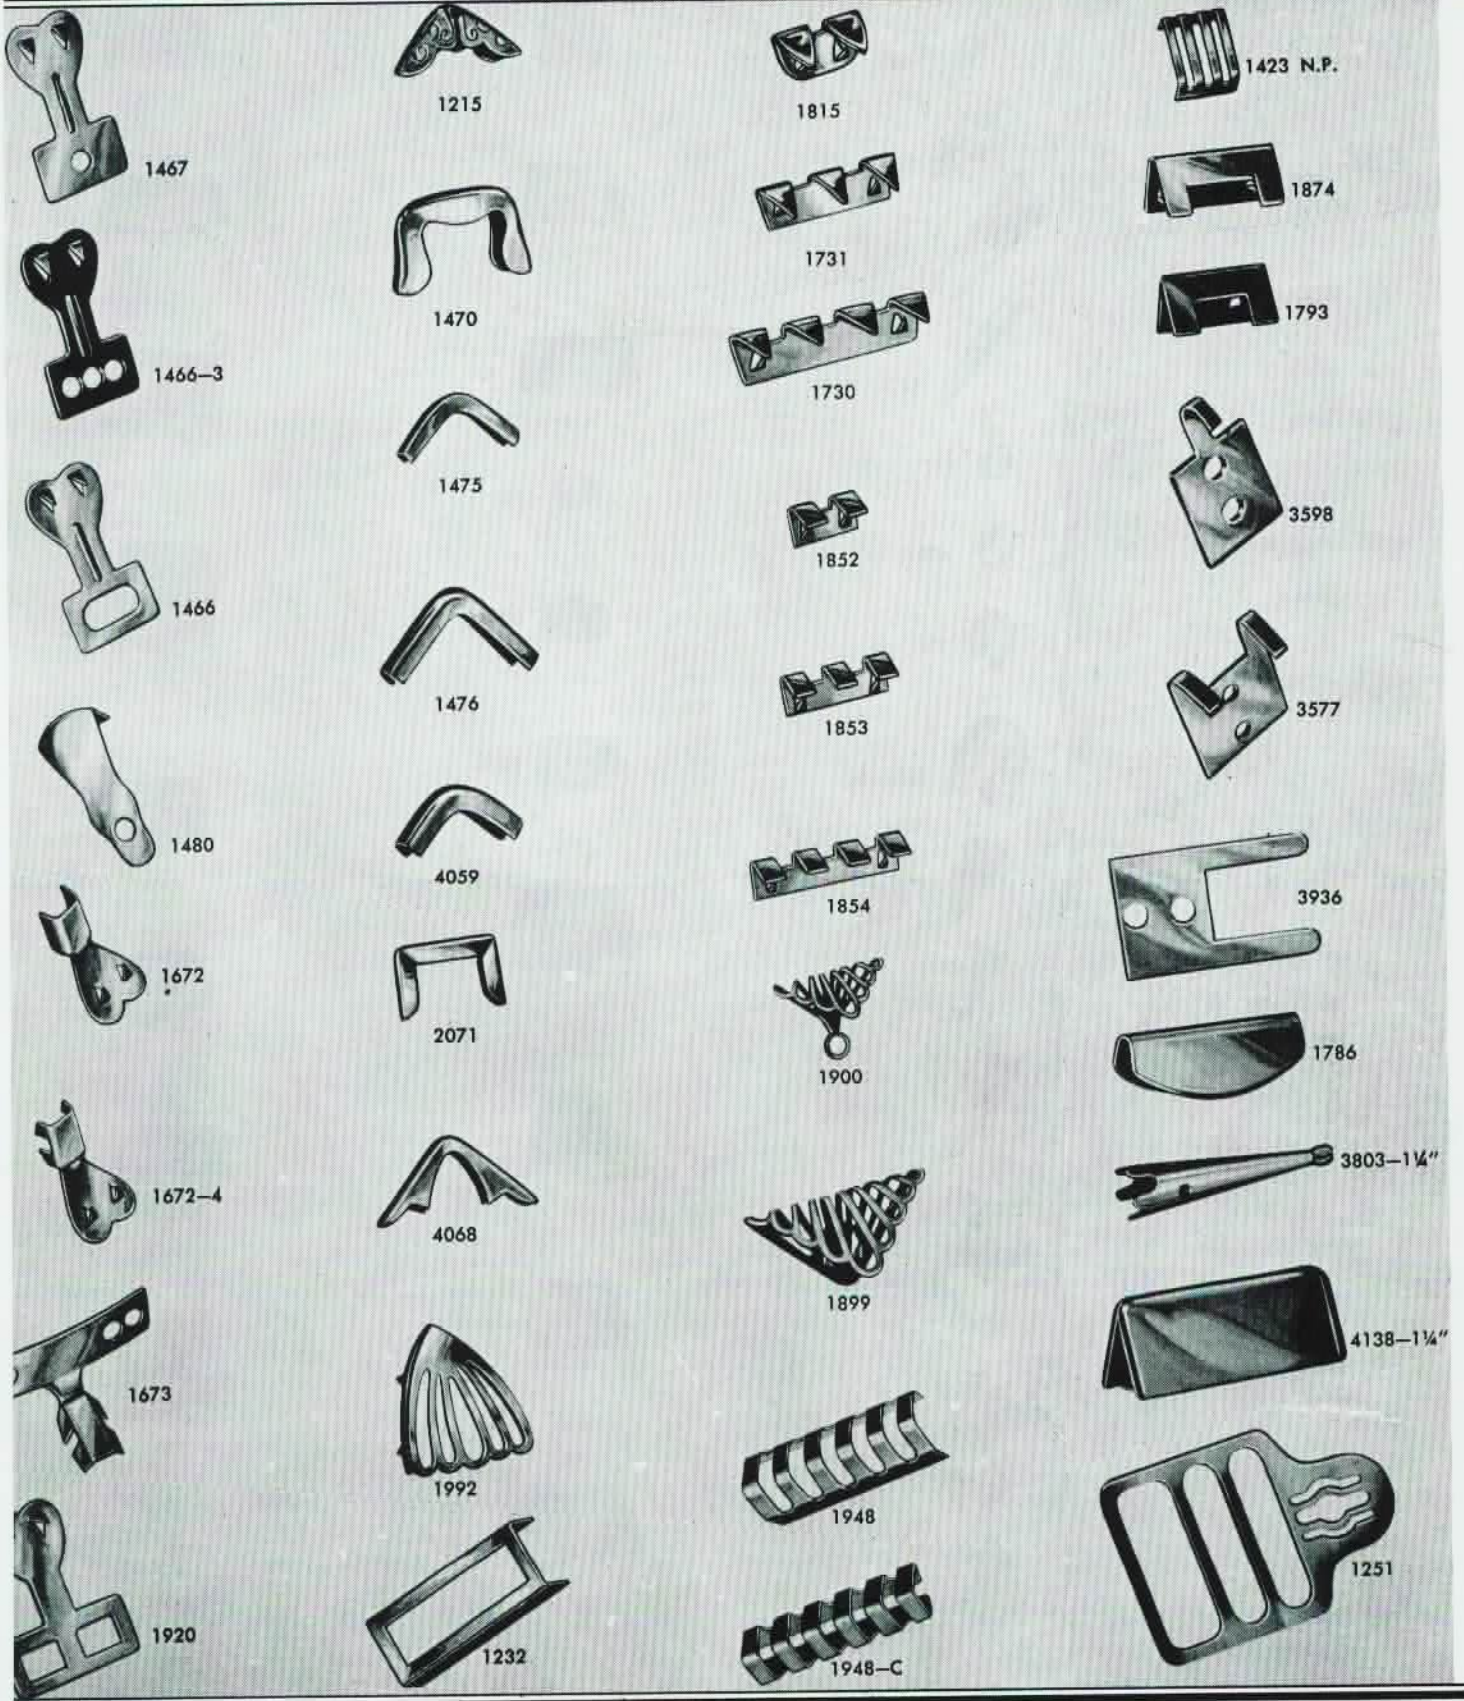

**C&C METAL
PRODUCTS** 
AMERSHORE 

456 Nordhoff Place / Englewood, NJ 07631 • NJ (201) 569-7300 • NY (212) 594-0330 Cable: CHALFCORP ENGNJ Telex: 135460

Some of our bow clips, channels, and various belt items are available in Brass or steel and can be made of varying material thicknesses and temper to best suit your application.

Clips, Tips, Channels

For attaching our items in groups of a set pattern, you will find our "Gangdies" an indispensable labor and time saver.

All items shown actual size. Working samples available upon request.

Clips, Tips, Channels

Some of our clips, channels, and tips used in the leather goods, belt, shoe and notion fields. Many of these items can be altered to meet your requirements without tooling charges.
